EDUCATION

Thaddeus Stevens College Of Technology, Lancaster, PA — Associates Degree

August 2019 - Expected May 2021 GPA: 3.55/4.0

Currently enrolled in college as a Freshmen

Hempfield High School, Landisville, PA — Diploma

August 2016 - Expected June 2020 GPA: 3.30 /4.0

As well as college I am also dual-enrolled as a Senior in high school.

Lancaster County Career and Technology Center, Mount Joy, PA – Intro to Manufacturing

August 2018 - June 2019 GPA: 3.668/4.0

Skills such as welding, machining, and electromechanical were the bulk of my studies in my Junior year of high school.

WORK EXPERIENCE

Bully's Restaurant and Pub, Columbia, PA — Dish Washer

February 2017 - June 2018

Worked with a team to maintain the flow of the restaurant.

PROJECTS

Portal App recreation — Python Web Framework

A group of peers and I built a recreation of a high-functioning web application. We dealt with templates, HTML, CSS, Python, and Javascript. We had a total of 4 weeks to complete as much as possible.

Maze Game — JavaScript, HTML, and CSS video game.

A partner and I created an eleven level maze game out of pure JavaScript. More at the Github link above.
